- Certified by the Polish Hygiene Institute

Available Packaging:

Index Index name
77-643 Clinex Blink 1 L
77-644 Clinex Blink 5 L
77-645 Clinex Blink 10

Properties:

A modern and universal preparation for washing all washable surfaces, resistant to action water. Especially recommended for daily care of glass, porous plastics, PVC, ceramics, glazed tiles, porcelain floors, marble, etc. Thanks to the high alcohol content, it evaporates quickly and does not leave streaks and stains. The cleaned surface gives a delicate, satin shine, guaranteeing a gentle and at the same time effective action. Designed for manual washing. It leaves a pleasant, lemon scent.

Instructions for use:

1. Designed for manual washing
2. Shake well before use
3. Depending on the frequency of washing and the degree of soiling of the cleaned surfaces, use appropriate dilutions: 50-150 ml/10 L of water
